Anti-Bullying Week – Monday 16th to Friday 20th November

We will be marking the first day of Anti-Bullying week with **odd sock day**. On **Monday 16th November** please send your child in colourful odd socks. In school we will be celebrating what makes us all unique.

COVID Guidance

We appreciate that there is a lot of Guidance around COVID-19.

To be as safe as we possibly can, if you or anyone in your household is being tested for COVID please keep your child at home until the results are returned. If the results come back negative then your child can return to school. If positive then follow the advice sent to the person in the text/email about the positive test.

School will provide work through our dojo messaging service for any child off school due to COVID or self-isolation. You may also be entitled to a free school meal box from our catering service.

Please ring the school office, on 01909 721471, to update school if you have COVID-19 symptoms or if you/your child are having a test.

Staffing in School

As COVID-19 is in the community we do have a number of staff that have been told to self-isolate as a precaution. We will always ensure the correct level of supervision is given to the children and except where there is no other option we will keep staffing to year group bubbles. Some part time staff are doing additional hours so we can minimize the number of adult contacts children have.

Children In Need

We have had a really fun Children In Need day and will let you know the final total on the website and next Friday's newsletter.

Thank you for all your support.
