## Children In Need

It was great to see everyone dressed up last Friday. Thank you for your support, we have raised an amazing £230.20 for this National cause.

## Lost Property

We have had a number of clothing items go missing this term. Please can you check at home for items your child may have brought back accidentally? Please check items for names and just return to school if they belong to someone else. We have two hats that are lost that have names in plus children often lose items of P.E kit as they get scooped into P.E bags as the children get change.

## Reminder

Please label all clothing as it is far easier to return items to their owner.

## Zoo- Lab

The children had an amazing experience with the variety of animals and insects they were able to see and hold. The Governing Board have agreed for school to subsidize the event but parental contributions are also needed. Thank you for all the contributions we have already received towards the cost. If you haven't sent your money in yet, please place it in a named envelope and give to the class Teacher or the office. We do need these extra funds to ensure the experience is paid for in full.
