Travel Smart Week

Next week is the Derbyshire Travel Smart Week.

Walk to School Week takes place every year and is a great success. Help us by walking your child to School every day next week.

How a walk to school will boost their brains.

A burst of energy for the body is a burst of energy for the brain.

A walk outdoors sends oxygen to the brain. Pupils who've walked to school arrive feeling brighter, more alert and awake – and ready to learn. Research from the Department of Transport showed that children who walked to school settled down to morning lessons quicker than those who were driven in.

Travel smart – Walk, scoot or cycle to school. Let's reduce the amount of cars, used for the school run, together!

Please remember if your child wishes to leave their bike or scooter on site they should be locked so that other children can't use them during the school day.

Poppy Appeal

We have a box of assorted items for sale in the office with a poppy symbol on them.

We have erasers, pencil sharpeners, pencils and reflectors with a suggested donation of 50 pence each and rulers with a suggested donation of £1.00.

Harvest Festival

Our Harvest Festival Celebration will be on **Wednesday 24th October at 1:30pm**.

Key Stage One children have been learning a variety of Harvest songs for you to listen to. Please join us at the church for this special celebration.

Any parents attending the service who wish to take their child home after the service are welcome to do so directly from the church. Please ensure you speak to the class teacher so they can be released directly to you. Once we leave the church grounds children will stay with their class until home time at 3pm.

Before the service begins please be respectful and ensure all your mobile phones are turned to silent or turned off. If you have babies or toddlers that are restless or noisy please could you settle them outside the church.

Dates

We are still in school all next week.

Half term begins 27th October and we return on Monday 5th November 2018.
