Jeans for Genes Day

Many thanks for helping us support this National cause. We will let you know how much we have raised in next week's Newsletter and on our website homepage.

Breakfast Club

The club has lots of children every morning. We would just like to remind parents to register their child with Steph Burton on entry to the hall, even if you have paid for the week in advance. Daily registration is essential for safety. Thank you.

Basketball

Our apologies again for the first basketball club of the year not taking place. The basketball admin department had a mix up over schools. We can assure you the club will take place next week and a replacement session will take place after half term on 6th November so your child will get the full number of sessions paid for.

Governors

We are looking for new Governors to join our team. If you think you might be interested and want to know more about the commitment, please talk to Claire Senogles (Chair of Governors). You will find her in Earlybirds Day Nursery opposite our main Reception.

Dates

28th September - Stand up Derbyshire (An active /sport themed day)
