Governor Vacancies

As we move through the academic year, the Local Governing Board and Headteacher are constantly looking ahead and putting actions in place to continually strengthen our school. We continue to invest a lot of time in planning for strength within our Local Governing Board. The Local Governing Board of a school are the body of local community members (parents, business people and other interested parties) who volunteer to help to guide the strategic direction of the school and hold the leadership of the school to account in seeking ongoing improvements.

The Local Governing Board at Creswell C of E Infant and Nursery School have vacancies for a Co-opted Governor and a parent Governor and are looking to welcome expressions of interest from local community members who have an interest and commitment to continuing to see the school improve further.

If you are interested in finding out more, please contact Mrs Shirley Freeman (Clerk to Governors) in the first instance who will make arrangements for Mrs Amanda Dodd (Headteacher) to discuss the roles further.

A letter with information about the vacancies will be published with this Newsletter.
