## Platinum Jubilee Week

We will be celebrating the Queen's Platinum Jubilee next week.

Tuesday will be party day. Children can come in their party clothes ready for a garden party in the afternoon. Please note the children will be on the field, weather permitting, so will need appropriate footwear.

A list of party food is outside each classroom, please sign up to an item of food and bring into school Monday. Thank you.

## Dobbies Community Grow project

The plants were delivered on Wednesday and have transformed our planters and garden area. A huge thank you to our regular parent garden helpers and the parents and grandparents that helped to plant them. The children really enjoyed helping with the weeding and planting and will continue to water and look after them.

## Reminders

### Dogs

Dogs are not allowed on premises due to Health and Safety reasons. Guide dogs are the only exception. Please be aware some children are fearful of even the friendliest of dogs and others have allergies.

### This is a no smoking site

Smoking including e-cigarettes is not allowed as we follow Derbyshire County Council policies and guidelines. The school site starts at the green gate on the hill near the entrance to the station.

### Cars

Please do not park in staff spaces. Earlybirds, Children's Centre and School staff have allocated spaces. If you have a permit, then park near the turning circle. Non-permit holders need to park at the spar.

### Litter

There have been a number of empty cans left on the Nursery pathway. We have litter bins at either end of the path. Please keep our site tidy and use the bins provided. Thank you.
