World Book Day

I was absolutely amazed by the costumes yesterday for World Book Day. The children have been so proud of their costumes and eager to talk about their character. Thank you so much for making this a wonderful event. It was also lovely to see so many of the Junior school children yesterday, they joined us after lunch and read stories. Once we have checked photograph permissions we will share the photos from World Book Day. Don't forget to spend your book token in the shops!

British Science Week - Week Commencing 9th March

Children will be spending most of the Monday outdoors (weather permitting) so please ensure your child wears appropriate clothing. Wellies would be good, please write your child's name inside both wellies.

We are looking forward to lots of outdoor learning throughout the day. If you have time to spare on Monday we would love you to join us. Thank you to everyone who has already volunteered.

Colour Food Bingo

Next week Ange in the kitchen will be inspiring the children to eat 'Rainbow'. The aim of the promotion is to encourage pupils to eat more fruit and vegetables, promoting a healthy lifestyle. The promotion is called "Colour Food Bingo", it is designed to encourage children to eat a different coloured food each day of the week. If at the end of the week they have completed this, they will win a prize.

The promotion is open to children enjoying a school meal or packed lunches. They will be given a bingo card to collect five stamps for eating a different coloured food. We will be ending on Red (Friday) in line with Sports Relief so if your child has a lunch box please join in.

Sports Relief - Friday 13th March

We would like children to come in PE/sporty outfits on Friday 13th March as we will be doing sporty activities during the day. We will have donation buckets in all classes and all money will go to this National charity.
