## **The Queens Platinum Jubilee Celebration - additional bank holiday**

Legislation came into force on 1 June 2021 which reduces the number of school sessions in 2021-2022 by one day to enable everyone to celebrate the Platinum Jubilee of Her Majesty the Queen.

For Derbyshire schools the additional bank holiday on 3 June 2022 falls into the half-term break when schools will already be closed. Therefore Derbyshire Schools will be open for one day less in the academic year 2021/2022.

In consultation with Creswell Junior School we have decided to move the INSET day to the 26<sup>th</sup> May and take 27<sup>th</sup> May 2022 as our additional day. The term dates on the school website will be altered accordingly but as each school in Derbyshire will determine their own day the Derbyshire County Council School Term dates will not reflect this additional date on their calendar.

## **Late arrivals**

There has been an increase of children arriving late in a morning across all year groups, but in particular Foundation 2. Please arrive between 8:40am and 8:50am in the morning as registration is between 8:50am and 9am. For every child arriving late the staff are taken away from the office/class to open the gate and/or classroom door.

## **Playground work commencing soon**

We have two major works planned for the playground and paths. The first project is to install some new fixed playground equipment and remove some fencing. This work will begin week commencing 12<sup>th</sup> July. While the work is in progress we will be using the field for playtimes. Please ensure your children stay away from the building work as you pick up at home time.

The second project is to resurface some of the Foundation playground and the paved area in front of purple class. We hope this will improve the drainage on the pathways and avoid the standing water problems we have had in previous winters. This work is planned for the 6 weeks holiday.
