Welcome back!

It has been lovely to have all the children back this week and they have been so excited to catch up with their friends and Teachers.

Lessons this week have been based around the children's social and emotional wellbeing and the story 'The World Made a Rainbow'. The rainbow themed activities have been covered by all year groups.

Learning and Catch -up

I'm sure you have had mixed feelings about home learning over the past few months. We hope by continuing to work together on the children's learning that we can help all the children reach their full potential.

We have noticed this week that many of the children are taking a long time getting changed for P.E. It would be really helpful if you could encourage your child to be independent when dressing and undressing, this will help ensure we don't waste learning time through getting changed for P.E.

Websites linked to learning are still available and your passwords remain valid so check out, Phonics Play, Spelling Shed, Primary Stars, Numbots and many more.

Please also continue to promote a love of reading, sharing books together is a very special time.

Thank you.

Red Nose Day - Friday 19th March

We will be following the Superhero theme so children should come to school wearing superhero outfits OR something red. You can also bring your best jokes. Donations will be collected in class.

Although things are a bit different this year, we can't wait to raise a smile and some life-changing money. However much or little we raise, we'll be helping change lives in the UK and across the world. Thank you for your support.
