Curriculum Letters

Each year group have added a Curriculum Letter to class dojos and the website for the new term. The letters give an outline of the learning journey and the expectations of what staff are looking for by the end of the term. A paper copy will also be coming home today so you can keep it somewhere visible and continue to support your child at home. We have produced the paper copy in response to the Parent Questionnaires, as some of you were unsure about your child's learning and expectations. We hope the paper copy will allow you to refer back to the curriculum information as you need it.

Sports day 2024 for Foundation Stage 2, Year 1 and Year 2

Sports day will be held on Thursday 27th June (Weather permitting). It will begin at 1:30pm and will be held on the School field. There will be a number of different stations that you can follow your child/children around. You will be able to collect your child from the classroom door once the event has taken place.

We will be in mixed year groups for the event and each group will be given a colour name so that they are part of a team.

This also ensures that siblings in different year groups can be put into the same group where possible so that parents get to see all their children take part at the same time.

Please comment on dojo if you have siblings across the year groups so that Mrs. Ruse can ensure where possible that they are in the same group.

Nursery Sports Day

We will let you know the provisional date for this as soon as we can.
