Wheel Funathon

We are raising money for additional outdoor resources and to provide activities that enrich the curriculum. Please support us by filling in the sponsor form you will receive today.

We will be completing the 'Wheel Funathon' on Friday 10th February. The children will complete circuits of the field/playground (weather dependent), in class groups. We have stated a maximum of ten laps so you have an idea of how much you would like to give or you could just write a total sponsored amount.

Please send your child with a scooter or bike, with helmet, on Friday 10th February ready for the event. Please label them with your child's name and class.

Many thanks for your support.

World Book Day - Thursday 2nd March

We would like everyone to join in the fun by dressing up, as book characters, on World Book Day.

Just use your imagination and have fun!!! We will also be doing activities on the Thursday and are looking forward to reading lots of stories.

Book tokens will be handed out next week before half-term and are valid from 16th February -26th March, so don't forget to choose your free book!

Health

We have had a number of children with chicken pox in school. If your child gets chicken pox please wait until all the spots have dried up before they return to school. We also have had a reported case of threadworm. Please ensure good hand washing routines are in place and if infected visit the pharmacy for over the counter treatment.
