## Cycle Path

As many of you have seen the new cycle path running alongside school is now fully open. The gates at both ends will remain open to the public for access.

As this is a public path, vehicles must not be parked in front of the two bollards at any time.

Work has begun on the new road access to school. Please be aware that works vehicles will be on site so access needs to be clear at all times.

## Bottles in class

We encourage children to have plenty to drink during the day and are happy for children to have their own bottle. Please note that bottles should contain water only. No juice please. This is a government directive.

## Suitable playtime clothing

It is very important that your child is dressed for the weather. Please make sure they have warm clothing for outside play and suitable footwear. Hats and gloves are essential in this cold windy weather. Wellington Boots are ideal to change into.

Putting a spare pair of socks in their school bag would also be a great help for very wet days.

If you have any gloves, which your child has grown out of, we would appreciate them as spares.
