Virtual Mini London Marathon -1st October

Next Friday we are taking part in the virtual Mini London marathon. We will be asking the children to walk, jog or run their daily mile over the week and Friday will be the last part of the 2.6 miles they will need to cover. 2.6 miles is the equivalent of 3 daily miles. Many schools across the country will also be participating.

All we ask is that you **send your child in sportswear on Friday 1st October** and we will organise the rest.

Bookshop

Each class will provide more information on their own class dojo page about how and when children can start saving. Keep looking out for more information on this great saving scheme for children.

Fundraising events

During this half term we will be holding a few fundraising events to benefit the children in School and Nursery.

You may be aware that last year we ceased collecting 50 pence a week for activity money. To replace this funding we will be holding a sponsored welly walkathon around our field. Your child will be shortly be bringing home with them a sponsor form for the event. We would really appreciate any sponsorship you can offer. All money will be divided between covering the cost of non-curriculum activities within school e.g. baking, and the cost of resourcing the playground and outside areas.

Individual classes will also hold fundraising events this term to raise funds. More information will follow on class dojo pages.

Thank you to the individuals that have supported school by donating their time, resources or money. We very much appreciate your efforts. The outside areas are improving week by week and we hope that the children will benefit for many years to come.
