Travel Smart Week (Walk to School Week)- 17th to 21st October

Please join us next week for our well-being themed sustainable travel week by becoming a Travel Smart SMILER by making more active and environmentally friendly journeys to school.

The seven steps to well-being are:

Socialise: Get together with others

Move: Be active

Interest: Have a hobby, keep learning, do something creative

Look: Take notice of the world around you

Eat Well: Eat a balanced diet

Rest: Relax, sleep well

So making an active journey, after a healthy breakfast and a good night's sleep, is a great way to start the day with a SMILE.

Harvest Festival

We will be celebrating Harvest Festival at Church this year with our school children. We are looking for donations of tins, packets etc. with long shelf life on. Initially we will make a harvest display with the donations and then we will donate them to a charity that will distribute the produce to local food banks. Please bring donations to school by the end of Monday 17th October so we can begin to display them. Thank you for your support.

Black History Month

The children have enjoyed learning lots of information and learning some new songs this week. The staff are very proud of all the children who joined in yesterday with a special black history assembly.
