Travel Smart Week 24th to 28th May

Week commencing 24th May is Travel Smart Week. Please help us by walking to school. If you need to use the car then please park in the SPAR carpark and walk up the school hill. The more people walking to school the better. Thank you.

Voluntary contributions

We are changing the way we raise money for non-curriculum activities within school. After half term we will no longer be asking for a voluntary contribution of 50 pence per week. Instead each class will be given an amount from our school fund to provide activities within the class. Each term the class Teacher will let you know what the money has been spent on and share photos of activities provided.

To keep our school fund topped up we will be having one fund raiser each term. We will endeavour not to have a charity fund raiser and a school fund raiser in the same half term.

We hope you will continue to support our school by donating what you can.

Curriculum related activities will continue to be provided through our school budget as before.

End of term fundraiser

We are going to be selling sweet cones/bags for £1.00 each on the last day of this half term, Wednesday 26th May. All profits will go into school funds for the activities mentioned above. If you would like to purchase a bag/cone for your child please send £1.00 in a named envelope on Monday, Tuesday or Wednesday and we will make sure your child is given the sweets at home time on Wednesday. Many thanks for your support.

Magic Breakfast bagels

In partnership with our Breakfast Club provider 'Magic Breakfast' we will be giving out free samples of bagels every week from after half term. Each class will be allocated a day to receive either a quarter / half a bagel. For allergy information please see our website.
