Attendance

As you know, good attendance is a priority in our school.

Please support us and send your child every day.

If your child is ill please ring the office on 01909 721471 with the reason for their absence.

Doors to school open at 8:40am, children will be registered from 8:50am, and the classroom doors closed. If you arrive after this time, you must go to the main reception and sign the late book. This is to safeguard your child and for dinner numbers.

To encourage good attendance we have introduced our **Rainbow Attendance Challenge**. For every full week your child comes to school they will move across one colour band of the rainbow. Some children have completed this and will receive a special keyring today. We have many different keyrings to collect so once the challenge has been completed your child can start again.

If a child misses a day or more it just means they do not move across a band, they do not need to start again.

Poppy Appeal

We will be supporting the Royal British Legion Poppy Appeal again this year. Poppies and collectable rulers, rubbers, wrist bands etc. are available at the school office. Prices vary for each item from 50 pence to £1.

We will be holding a Remembrance service in November both in school and at the Creswell Cenotaph.

Aldi stickers

We have now completed our first Aldi poster. This means we can claim a sports pack for our school. A big thank you for your support. We have now started a second poster, which is up in the spare classroom. Please keep saving the stickers and pass them to your Teacher or to the office.
