Newsletters

After a very successful Eco Day last week the staff and children learnt so many facts about protecting our environment and recycling. So in order to maintain communication but to also help the environment we would like to begin changes to the way you receive Newsletters. A small set of paper copies of each weeks Newsletter will still be available in every classroom and on request. We would like to encourage you to read the Newsletter each week either directly off our website or by accessing the link to the website from class dojos. These changes will also cut our photocopying and paper costs so we can use the money we save on the children.

Use the website address at the top of the Newsletter or this link <https://creswell-inf.eschools.co.uk/website> to access our website home page or simply google Creswell Infants website.

Dojos

If you haven't signed up to see the class dojos yet please see your child's class Teacher. This is a great way for you to see the rewards your child gets during the day. You can also help your child to get some of the dojos by ensuring they arrive on time and they complete their reading challenge at home and complete their homework.

We will also be using this as a whole school communication system instead of Facebook.

Parents' Evening

We are holding Reception (F2), years 1 & 2 parents' evenings in the week beginning 10th February. Teachers will soon put a list of times in their room for you to sign up for. Please remember these meetings are to talk about academic progress, if you have additional information to share or concerns please make a separate appointment to speak to the class teacher.

Wear red day

On Friday 14th February we will be raising funds by wearing something red for **Congenital Heart Disease**. Please send your child in an item of red clothing and we will have collection boxes in classes and Nursery.
