Christmas Events and dates

- Please see our Christmas Newsletter for concert times and dates. You will find a copy on our website homepage.
- We are asking for donations of shop bought mince pies to sell at our Christmas Fayre on 17th December. Also donations of chocolate bars to have as prizes for games. Please bring to school from 3rd December. Thank you.
- **On Friday 21st December we will be finishing at 2pm.** You will be able to collect your child as usual from the classroom. If you are unable to collect at 2pm for any reason please speak to your child's class teacher.

Winter weather clothing

It is very important that your child is dressed for the weather. Please make sure they have warm clothing for outside play and suitable footwear. Hats and gloves are essential in this cold weather. Wellington Boots are ideal to change into. Putting a spare pair of socks and /or trousers in their school bag would also be a great help for very wet weather or snow.

Windows

Over the next few weeks, we will be having some work done to replace windows in Foundation 1 & 2 and one year 1 class. The work will then progress to the office and staff room. Please be aware that we will need to cordon off areas of playground and pathways at short notice. This is essential work and we will try to keep any disruption to a minimum.

The workers will be using the car park and site for storage and deliveries. Unfortunately, many of you still cut across the car park and often allow your child to run ahead. Please use the paths to access school, setting a good example, to ensure everyone stays safe. Thank you.

Threadworms

There has been a reported case of Threadworms in school. If your child has a threadworm infection, it is not necessary to stay off school. Strict hygiene measures can help clear up a threadworm infection and reduce the likelihood of re- infection. Please visit the NHS website for more information.
