Weather warning - Actions for Monday and Tuesday

Monday and Tuesday are expected to be extremely hot. We would just like to inform you of the things we have put in place to help.

Foundation 1 & 2 and Year 2 children do not need to wear uniform on Monday and Tuesday. Please dress your child in cool, light clothing suitable for a hot day. **Year 1 children going on the visit will need to wear uniform on Monday**, but no cardigans or jumpers. The bus and the Deep will be air-conditioned and cool.

Our Year 2 classrooms are air-conditioned so Year 2 children should be comfortable all day.

In Foundation we intend to keep windows closed and covered to prevent the rooms rising to outdoor temperatures. The hall usually remains cool on the hottest of days so we will be using this space as much as possible.

We will be offering children drinks throughout the day, water and juice to keep children hydrated.

Also, we will not be venturing outside after approximately 10am as the outside temperatures will be rising.

Water supplies in school

There is a rumour that we don't have water in school. We have had some disruption to the hot water supply due to the boiler being replaced but all the toilets are flushing and the majority of cold taps are unaffected. It is only the mixer taps that are not working. Please be assured that we have sufficient working taps for the number of children in school. The disruption to the hot water supply should be sorted by early next week.
