Winter weather clothing

It is very important that your child is dressed for the weather. Please make sure they have warm clothing for outside play and suitable footwear. Hats and gloves are essential in this cold weather. Wellington Boots are ideal to change into. Putting a spare pair of socks and /or trousers in their school bag would also be a great help for very wet weather or snow.

Windows

The first phase of replacing the windows is now complete. Thank you for your patience. We will let you know when the second phase is to begin as soon as we have the information. The second phase will be to the front of the building and should not affect classrooms.

Threadworms

We have had a second reported case of Threadworm in school. If your child has a threadworm infection, it is not necessary to stay off school. Strict hygiene measures can help clear up a threadworm infection and reduce the likelihood of re- infection. Please visit the NHS website for more information.
