Changes to lunch times

Due to Covid-19 restrictions and not mixing year group bubbles we have been delivering three sittings over the lunch hour. We are currently doing what is called 'family dining'. This is where the children are served food at the table on plates.

We are looking to change the service back to our previous two sittings after half term which will mean that three classes will be in the hall at the same time. They will still be socially distanced and measures will be undertaken to separate the year group bubbles but we feel this will give the children more time to eat their lunch. We will also be returning to 'flight trays' to serve school lunches and school sandwiches on. These are coloured trays which have space for the dinner and pudding. The children will be served at the kitchen hatch be Ange, Mel or Michelle. We hope these changes will have a positive effect on lunchtimes and also support transition to the Junior school, as they currently use flight trays for their lunchtime service.

Transition

We are making plans to organise the transition to new classes over two days in July. These arrangements will be subject to the Government road map but we will keep you informed as we finalise our plans.
